Semester 1 Reports

These were sent home yesterday. Please feel free to contact your class teacher if you would like to have a parent/teacher interview over the phone. A mutually convenient time could be arranged for today, tomorrow or early next term. Please discuss your child's report with them. However, keep in mind it has been an extremely unusual semester. Although effort and attitude should not have been affected. During your discussion you might like to set some goals for Semester 2. If children are not putting in the effort, then it will make it difficult for them to learn/improve/succeed.

Any written feedback on the new reports would be greatly appreciated. Please address the feedback to me so I can collate them and relay the feedback to staff. I feel that when these reports are expanded to include the A-E grading and the four other Key Learning Areas these may be easier for parents to read and be more informative.

Out of Uniform Day

It has been an almighty term. The children, staff and all our home school teachers (you) have been through a lot. The Student

Representative Council (SRC) are holding a fun fundraiser tomorrow where students can come out of uniform. Wear bright and colourful clothing. Please send in a gold coin donation for the privilege and the SRC will collect this from each classroom. We will see which class raises the most money.

Essential Energy Grant Success

Winners are grinners! Congratulations and thank you to our Wauchope PS community for your support in voting for our grant submission. We should receive \$2,500 in the near future to spend on outfitting our new Safe Play area in Block 4. Congratulations to the following students who won the lucky voting draw: Wyatt, Be'Jai, Ruby, Cassandra and Odin.

Silver Awards

These special awards will be presented in Week 2 next term

at short Grade assemblies at an outdoor venue like the silver seats or basketball court. Those students who achieve this milestone are then on their way towards a Gold certificate and hopefully a Wauchope Star in Term 4.

Demountable Removal

On Monday we had five demountables removed from the school. This was very exciting for the students as a very large crane was involved and it was very cool watching classrooms fly through the air (safely of course). The remaining nine demountables should be removed by the end of next week.

Irrigation System

We eagerly anticipate the installation of a huge irrigation system on the K-2 and 3-6 ovals. Two 34,000l tanks and pumps etc will be installed and will run off our bore.

Police Youth Liaison Officer

On Thursday of Week 1 we have invited Officer Wendy Hudson to speak with Kindergarten students about Keeping Safe and with Stage 3 students about Cyber-bullying, being safe on the Internet and the importance of wearing helmets while riding bikes/scooters.

Excursions

Early next term I will communicate the venues and dates for a fun day excursion for

every grade. We are sure these will be great days.

Kinder Start

We will communicate dates for our 2021 Kindergarten student's week of visits early next term. We are looking at early Term 4 for these visits.

Year 6 Canberra Refunds

Refunds will be offered to families that have paid large amounts for the Year 6 Canberra Camp. The method of refund will be via direct credit into bank accounts. Request for Refund forms will be sent home today with instructions. Once forms are returned please allow up to 14 days for refunds to be received as they are sent to Sydney for processing.

School Photos

Please note these have been moved to Week 6 – Monday 24 and Tuesday 25 August.

Healthy Harold

This great program will still run at our school from Week 7 until Week 10 next term. However, lessons may be held in classrooms depending on decisions about the use of the Healthy Harold Van.

Book Week Celebrations

Book Week has been moved to Term 4. We will host some sort of Book Parade on Friday 23 October depending on what restrictions are in place at that time. We have tentatively booked a Book Fair for that week.

Cross Country/Athletics Carnivals

We are hoping to run modified fun versions of these on school grounds next term. Due to the current health advice these will be for the students only. We just want the children to have a fun few days.

Scripture/Ethics Classes

We anticipate these will recommence in Week 3 next term.

Canteen

Next term the canteen will resume over the counter service. We are still encouraging all parents to use the online ordering system. Please remember orders have to be in prior to 8:00am as any orders after 8:00am do not go through to Ruth.

NAIDOC Week

This important event has been moved to November. As a result, we will hold our NAIDOC activities in Term 4.

Split Recess/Lunch Times

Even though the demountables will be removed we will continue with the separate recess and lunch times for K-2 and 3-6 students.

Happy Holidays

Tomorrow, Friday 3 July, is the last day of an amazing Term 2 and the end of an extraordinary Semester 1. It has felt like a 20 week term and the Home Learning feels like it happened last year not this term. Once again, thank you everyone for your continued support. We have received amazing positive feedback. I would like to wish everyone a relaxing and safe holiday. I hope you get an

opportunity to do something with your children like gardening, cooking, camping, playing games etc. I have an 18 year old preparing for the HSC and I can assure you, time with your kids will go very quickly. Spend as much time as you can and enjoy life with them while they are little as you can never get those times back. Make as many positive and happy experiences as you can.

WPS staff return to school on Monday 20 July and all children return on Tuesday 21 July.

Cameron Osborne**Jump Rope For Heart**

WPS participated in a Jump Off Day with their class towards the end of Term 1. We have received notice recently that our school raised a total of \$1018.86 for the Heart Foundation. What is even more remarkable is that 10 students raised this amount together! An incredible feat! Thank you for your generosity at a time when it would be greatly appreciated by the Heart Foundation. Congratulations to our amazing WPS fundraisers! Harper T, Jesse S, Braxtyn T, Kaiden T, Logan T, Wyatt B, Riley B, Lucy I, Alicia N, Sophie S. - Lisa Barnett -

Migration Museum

As part of their History unit, the students in 5/6CW have been busy researching the influences surrounding migration pre and post Federation of Australia. Part of this learning process has encouraged the students to explore their own family heritage and have discussions about the reasons their ancestors migrated. The students showcased their work through a Migration Museum in the school hall. The museum offered interactive posters, suitcase displays from their personal stories, interactive maps of their voyage and the opportunity to meet the “immigrants.” Many students across all grades visited the museum and enjoyed interacting with the displays.
